About Blake

Blake has more than 9 years public accounting experience with a focus on the financial institutions industry. He provides management consulting, tax planning and tax compliance services to financial institutions ranging in size from less than \$20 million to more than \$2.4 billion. He conducts tax research projects and communicates current tax developments to clients and staff, consults with financial institutions and their shareholders on S-corporation conversions and S-corporation planning issues, and assists financial institutions with merger and acquisition issues, including tax structuring of transactions and the regulatory application process. Blake also assists bank holding companies and financial institutions with regulatory filings, including FR Y-9C, FR Y-9LP and FR Y-9SP reports.

Blake is a member of the American Institute of Certified Public Accountants and the South Dakota Society of CPAs. Blake earned his Bachelor of Science with a major in Accounting from Minnesota State University, Mankato and his Masters degree in Business Taxation from the University of Southern California. He is also currently attending the Graduate School of Banking at Boulder. Blake holds the CPA designation and is located in Eide Bailly's Sioux Falls, South Dakota office.
